

THE HEART OF TERRAZAS, A LAYERED VERY BALANCED EXPRESSION OF EVERY VARIETAL FROM TERRAZAS' OWN VINEYARDS ROOTED IN THE BEST TERROIRS OF MENDOZA.

## IDENTITY

Terrazas Reserva Malbec is a blend of the emblematic terroirs of the Estate and reflects Terrazas's signature winemaking style. Each vineyard's grapes have unique aromas that reflect the specific altitude and soil. When put together in Terrazas Reserva, they become facets of a layered and complex expression of Mendoza terroirs.

## BLEND

100% Malbec from Paraje Altamira (1100m / 3608ft), Eugenio Busto (1020m / 3346ft), Gualtallary (1620m / 5314ft), and Las Compuertas (1070m / 3519ft). 100% Estate-owned vineyards.

## WINEMAKING

Each vineyard and sub-parcel is harvested at its peak of expression, while preserving aromatic and natural freshness. They are all vinified separately to carefully adapt the winemaking to the grape profile. Maceration is precise and gentle to favour balance and finesse. The blend of so many expressive Malbec components brings layers to the aromas and mouthfeel, giving a complex and elegant wine. Reserva Malbec is aged for 12 months in French oak barrels, at least another 6 months in the bottle.

## STYLE

Fruity, nicely layered and fresh, balance and elegance guide this wine from the beginning to end. Cellaring potential: 10 years.
